The Motwane Manufacturing Company Private Limited

<https://www.indiamart.com/motwane-mfg-co/>

We are a topmost manufacturer and exporter of quality approved assortment of Test Devices and Resistance Meter . These products are admired for their high performance and accurate dimension.

About Us

Established in the year **1960**, we "**Motwane Manufacturing Company Pvt Ltd**" is reforming the test and measurement in the power and industrial sector in India since last 5 decades. The Motwane is strategically based on the pillars of quality, precision, and innovation in all fields of Test & Measurement. Over the years, the company has evolved as a trusted designer and manufacturer of innovative rugged, reliable, accurate products for the harsh industrial and outdoor environments. The company owns a DSIR recognized Research & Development Lab with manufacturing facility fully equipped calibrators which are traceable to National and International standards. The company has invested maximum time in R & D to develop full ranges of instruments and products for HV testing application at switchyards like Insulation tester, Contact Resistance Meter, Transformer Turns Ratio Meter, Transformer Winding Resistance Meter along with general purpose testing instruments, which are widely used by engineers across the globe. Today we see our presence in all major sectors like Power Utilities, OEMs, Testing Contractors/ EPCs, Processing Plants, Defense & Mines etc.

Strong PAN India presence of sales & marketing and distribution network with 200 dealers and 50 sales staff ensures our reach in every sector in every corner of the country. Ultimate customer satisfaction by offering highest quality products and services is what drives us to our...

CABLE FAULT LOCATOR

Our Products

High Voltage Surge Tester

TDR Cable Fault Locator

Underground Cable Fault Locator

Cable Fault Locator

CONTACT RESISTANCE METER

Our Products

Contact Resistance Meter
PCRM200S

Portable Contact Resistance
Meter

Transformer Winding
Resistance Meter

Transformer Winding
Resistance Meter 25A

LOW RESISTANCE METER

Our Products

Digital Micro Ohm Meter LR
2045-S

Digital Micro Ohm Meter LR
2065-S

Micro Ohm Meter Low
Resistance Meter

DIGITAL EARTH RESISTANCE TESTER

Our Products

Digital Micro Ohm Meter LR
2065

Digital Earth Resistance
Tester

Digital Earth Resistance
Tester

OTHER PRODUCTS:

Cable Test Van

Transformer Oil Bdv Test Set

Transformer Oil Tan Delta &
Resistivity Kit

Three Phase Transformer
Turns Ratio Meter

OTHER PRODUCTS:

Automatic Transformer Ratio
Meter

5kv Digital Insulation Tester

10K-PI Insulation Resistance
Testers

Digital Insulation Tester 5 Kv
IT-51

OTHER PRODUCTS:

Automatic Transformer Oil
Breakdown Voltage Tester

Transformer Winding
Resistance Meter

Transformer Oil Tan Delta
Test Kit

Circuit Breaker Timer Test Kit

OTHER PRODUCTS:

Our Products

Motwane High Voltage
Detector

Surge Wave Receiver

Capacitance and Tan Delta
Test Set

Resonating Inductor
